Jamil, is eldest of three children a brother 9 and sister 6

The parents are separated, the mother is a drug user and dealer and her latest live in partner is the same..He even gives drugs to Jamil and he became dependent on drugs. His mother was arrested in a raid and jailed for drug possession. Then after several year she was released in 2017 She returned to drug use.

He received no values training at home but saw his mother using drugs and also the live in partner.

He felt uncared for he went to find friendship with his street friends and they lived on the street much of the time .They begged and stole things to support a drug habit. They bought solvent and sniffed it to forget their problems.

He was arrested with the other boys and brought to the youth detention center and locked inside behind bars. He was mistreated inside there was abused and beaten by the guards, He was constantly beaten with rubber slippers, deprived of food and they were hungry every day.

They are not allowed out side ,there is no sunlight, no freedom to walk around and they feel the fear of punishment ,After months of the bad treatment Preda heard of the conditions there and rescued him from the jail through application form and bureaucratic procedures and saved him from the bad brutal conditions.

He was brought to Preda where he is now happy and feels free and is playing basketball ,Dancing and learning karate and starting to study again and learn. he is intelligent ,bright ,smart and active in the family after only a two weeks of rescue. He has a bright future and a success story for Space Lama.
